

look inside, look inside
then look a bit harder

your tiny mind

so sick and tired cause we're so uninspired
of all the hatred you harbour

so you say it's not ok to be gay
well i think you're just evil
you're just some racist who can't tie my laces

you're point of view is **medieval**

fuck you

fuck you very very much
cause we hate what you do

and we hate your whole crew
so please don't stay in touch

fuck you
fuck you
very very much
cause your words don't translate
